## 2018 TRASH SCAVENGER HUNT

## HEY CAPE CODDERS!

### HELP US KEEP BUZZARDS BAY CLEAN!

In 2017, beach cleanups on Massachusetts shores removed more than 12 tons of trash from the Bay State. That garbage isn't just ugly - it can seriously harm marine life, from fish all the way up to whales.

This year, the Buzzards Bay Coalition and Cape Clasp are teaming up for the **#cleancoastchallenge**, a trash scavenger hunt to help clean up our shores. Trash hunters who visit places on our *Discover Buzzards Bay* list on the right or from [www.savebuzzardsbay.org/discover](http://www.savebuzzardsbay.org/discover), and post their cleanup on Instagram, will receive special prizes from Cape Clasp and the Buzzards Bay Coalition!
