

Sawmill Forest Habitat Hunt

Can you find these colors?

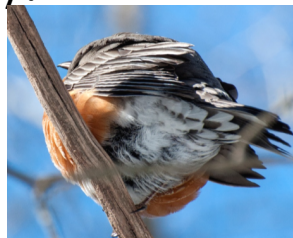

Can you find leaves that look like these?

Find something that feels bumpy, smooth or fuzzy, like:

Look down! Can you find a berry? Look up! Can you find a bird who wants to eat that berry?

- **Choose Your Adventure** – a Forest Habitat Hunt for ages 6 and under or a Winter Scavenger Challenge for older kids looking for some competition among friends and siblings. Feel free to print out before your adventures. Share out our Staycation at the Sawmill to our IG and FB pages by tagging us: @SaveBuzzardsBay.

Winter Scavenge Challenge

Find as many of these items as you can!

- ☐ Frost on leaves or grass
- ☐ A huge tree trunk covered in vines
- ☐ One brown leaf hanging from a branch
- ☐ A big green pine tree
- ☐ Colorful berries on a bush or vine
- ☐ A fallen tree that is blocking your path
- ☐ Dead seed heads on winter weeds
- ☐ Chirping birds flying in the trees
