

HOW TO RAISE \$1,000 FOR CLEAN WATER IN 10 DAYS

(Adapted from theshatterproofchallenge.org)

1

SELF DONATION

Kickstart your fundraising and donate to your own campaign! People are more likely to give if they see you've already donated.

DAY 1: \$25

DAY 2: \$125

3

ASK YOUR BOSS

Ask your supervisor for a company contribution of \$50. Better yet, see if your company will match what you raise!

DAY 3: \$175

DAY 4: \$425

5

SOMETHING SWEET

Let out your inner Betty Crocker and bake something sweet for your colleagues, neighbors, and friends for their donation.

DAY 5: \$450

DAY 6: \$575

7

FRIENDS FOREVER

Ask 10 close friends to each make a \$20 donation. That's \$200 — one-fifth of your goal!

DAY 7: \$775

DAY 8: \$875

9

YOUR COMMUNITY

Ask 10 members of your community — like fellow church attendees or yacht club members — if they'll donate \$5.

DAY 9: \$925

DAY 10: \$1,000

GET SOCIAL

2

Post a link to Facebook or Instagram asking your friends to contribute. If 10 connections each donate \$10, that's \$100!

FIND SPONSORS

4

Ask 5 local businesses or companies to sponsor your campaign with a \$50 donation.

WE ARE FAMILY

6

Call 5 family members and ask them to donate \$25 each. You're \$125 closer to your goal!

ASK NEIGHBORS

8

Ask 4 neighbors that you know well to donate \$25 each to your campaign. You'll raise \$100!
