

Pop Up Tents / Tables / Banners Team Instructions

See site schematic for details

- **Step 1** - Two sets of 2 people will *retrieve tables from the Swope Center* and place them where needed corresponding with the schematic, enabling other volunteers to begin setup of their area of responsibility.
- **Step 2** – Four people will work together to set up all of the *pop-up tents/ cabanas at the Finish Line*. Each tent will be labeled to correspond with the schematic.
 - The Pop-up team is responsible for the **set up and breakdown** of all of the pop-up tents. (before moving on to their other “Ride” tasks)
- **Step 3** - Two sets of 2 people will hang *banners* to correspond with list. Strong volunteers and a post pounder will be used for this task. Velcro ties will adhere the banners to the signposts.
- Once we're ready for **breakdown**, those teams will break away from their other “Ride tasks” and efficiently and prudently take down the tents and pack them with care.
 - *Please include the breakdown of the 3 changing cabanas.*
- Please continue to follow the schedule for other tasks as assigned.

Thank you for volunteering at the Buzzards Bay Watershed Ride!
