COALITION

WATERSHED  
**RIDE**  
OCTOBER 5, 2025

Just over a week to go!

I hope you all enjoy your training rides this weekend. As you ride, think about who might like to support clean water and green spaces in Buzzards Bay.

Because this is more than just a ride, it's a statement. Hundreds of you (340 and counting) are clipping in and showing up to say: **the environment matters to me, science matters to me, Buzzards Bay matters to me.**

Spreading the word about the Coalition's work is just as important as the Ride itself. You've already recruited over **1100 donors**. Last year's ride brought in **1700 donors**. Let's work toward beating that! Find your [profile page here](#) to get started.

Have a great weekend!

Kate

10 days & counting until I ride my xth annual watershed ride (I've lost count).

Facing reduced funding in every area related to science & sanity, our local eco system needs all of us more than ever. Supporting [Buzzards Bay Coalition](#) is one way to help sustain this coastline that we all love and enjoy.

Thank you & keep enjoying the outdoors! 🚴
